

# A Message from the President

Greetings AWRT-NCAC Members!

On behalf of the National Capital Area Chapter of AWRT, we would like to formally welcome you to our chapter!

Whether you are a returning member or a new member, this year promises to be an exciting one for our chapter! The Washington, DC metro area is the place to be this year and you represent the best in the industry! Our members are not just limited to TV and radio, but represent all facets of the industry: broadcast, regulatory, marketing, sales, advertising and online. Our industry is rapidly changing and we want to be at the forefront of these changes.

This year, we are pleased to launch the re-design of our chapter website, [www.awrt-ncac.org](http://www.awrt-ncac.org). There you will find the latest on industry news, career opportunities in our area, upcoming events, archives of our webinars and much more! You can now follow the NCAC chapter on Twitter, Facebook and Linked In.

In addition to our new website, members will have access to local leaders at AWRT-NCAC events. By now, you should have received an invitation to our first event of the term. Join us on October 22 for an evening with **ABC 7/WJLA-TV Anchor Alison Starling**. In November, you'll have the opportunity to participate in a webinar on **"How to Make Your Resume Rise to the Top" with Emily Brown, The Career Pioneer.com**. And of course, what's a holiday party like without chocolate! This December, we'll gather for our annual **Chocolate and Coffee Reception**. And finally, plans for 2010 is already underway! The benefits and connections are endless when you are part of an AWRT local chapter. So we thank you in advance for your membership and participation.

I'm delighted to serve as your President and look forward to meeting all of you at a future AWRT event. Please let us know how we can serve you better.

Sincerely,  
Jonelle Henry, President  
AWRT National Capital Area Chapter
